

If you have ever said 'I can't draw!' then you'd better come along to the –

**'Drawing is Easy,
when you know...'**

workshop on 29th October 2008 presented by
The Australian Institute of Management
and get ready to change your mind and your skills!

It's interactive – come ready to play!

Like to **add extra flair to your flip chart**, or be able to **make your own clip art** to include in multimedia presentations? In this 2 hour session, Julie will show you how to:

- **grab your audiences attention**
- **highlight key points**
- **increase learning retention**
- **emPOWERyourPOINT!**

"...Julie was a delight to work with.... Her session was highly interactive and engaging.... We would definitely love the opportunity to do further work with her and have no hesitation in recommending her services for similar presentations."
